MONSOON KITCHEN

CONCEPT

In a world where fast foods dominates our diets how can we persuade the masses to eat healthier. Food prices are increasing rapidly. Poor people in 3rd world eat healthier than in 1st world. Basic commodities cooked well can be extremely tasty without much preparation.

PROFILE

Television Series 10 x 52 minutes

World Famous Celebrity Chef, John Burton Race, travels back to the Far East, the land of his birth and a land that inspired him to become a chef. His journey is one of self discovery, flavoured by an adventure and exploration, and on 'shoe string' budget, into a style of cooking he wants to master. But he has an ultimate quest. Can he convince the King and Prime Minister of Malaysia, and the President of the Republic of Singapore of his abilities to master Asian cuisine with a Royal Banquet that he will cook which will be broadcast live on Malaysian and Singaporean Television to a potential audience of over three million.
